Sample write-up:

The PupSTEP + Plus pet stairs from Solvit Products offers the perfect combination of Value + Performance + Styling...

Solvit's PupSTEP + Plus pet stairs are an economical way to help pets reach their favorite places. Their modern styling blends well in any décor.

Super lightweight at only 5 lbs, the unique construction of these stairs supports over 120 lbs. There is no assembly required, and they fold down for easy storage. Safety siderails are built into the design so your pet can climb up and down with confidence. Perfect size for couches or beds, and non-skid feet are included. The stairs can also be used for pets needing help into vehicles.

Note: Although they are super-strong, the stairs are recommended for small- to medium-sized pets, due to the size of the stair treads.

They can be cleaned easily with mild household cleaner. The stairs are covered by a one year warranty against defects in material and workmanship. Overall product dimensions = 24"L x 16"W x 20"H.
