### **Sample write-up:**

*The PupSTEP Wood Stairs from Solvit Products offers a beautiful and convenient way for pets to reach their favorite places*

All-wood construction with a rich, walnut stain, the Solvit PupSTEP Wood Stairs can be proudly displayed in any home. If needed, they can be folded flat for convenient storage or transport.

Available in two sizes: the Large model is 24 inches long by 16 inches wide by 20 inches tall and is recommended for small to medium size pets; the Extra Large model is 30 inches long by 19 inches wide by 25 inches tall and is recommended for medium to large size pets or any pet needing to reach a taller bed. Both sizes have been tested to support over 200 lbs. Safety side rails are built into the design to give pets added confidence when using the stairs.

The Wood Stairs come ready to use, with no assembly required, and they are covered by a one year warranty against defects in material and workmanship.
