**Sample write-up:**

*The Solvit Extra Large Pet Booster Seat provides the ultimate ride for the pampered pet. Other company's booster seats sit too low, or they are supported by straps that attach to the front of the basket, making it difficult for pets to see out or move around. The patent-pending design of the Solvit Booster Seat elevates pets to provide a clear view of the road, with no clumsy straps to get in their way. Installs securely in one minute and even works in the back seat (requires headrests). The Booster Seat features a padded interior to cradle your pet in comfort and luxury. The attractive, plaid-fabric liner removes for washing to keep the Seat clean and fresh. Safety leash and storage pocket included. Let your pet ride in style, with the Extra Large Pet Booster Seat from Solvit Products. This is the largest elevated booster seat on the market. Holds up to 40 lbs, but best suited for breeds up to 25 lbs, such as Cocker Spaniel, Mini Schnauzer, Beagle, etc.*
