Sample write-up:

Let your pet ride in comfort and style! The Solvit Deluxe Hammock Seat Cover combines luxury and protection. The padded & quilted construction provides a soft cushion while protecting the back seat and floorboard area from dirt, dander and "spills". Also serves as a barrier to the front seat. Made from a heavy 100% cotton twill that is soft to the touch, yet wears like iron. Attractive styling with classic colors and antique brass hardware. Multiple attachment points, adjustable straps and two Sta-Put™ devices keep the cover firmly in place in all vehicles with headrests. Because it is quilted, the Deluxe Hammock Cover is not waterproof, but it is treated with Stain-Blok™ .
