

Suggested Copy Points for Solvit Products HoundAbout™ Pet Stroller+Jogger

Unlike other pet strollers which are simply converted “baby strollers”, the new HoundAbout™ Pet Strollers from Solvit are designed from the ground up with pets in mind. They are the roomiest and most comfortable designs available for medium, large, or multiple pets that need a little help getting around. Check out all these features!

- Provides therapeutic benefit for older, invalid, or convalescing pets
- Heavy duty frame and large, air-filled tires give a smooth ride over most any terrain
- Spacious cabin with oversized cushion provides superior comfort for pets
- Includes four specialized pockets:
 - o “Parent Pocket” for sunglasses, cell phone, MP3 player, etc.
 - o Lockable security pocket
 - o Insulated water bottle pocket
 - o Large storage pocket
- Zippered “sun roof” makes it easy to see and reach inside cabin while strolling
- Convenient cup holder can be mounted in several locations
- Handy parking brake prevents unwanted rolling
- Breathable mesh windows on all sides + weatherproof vinyl front door
- Adjustable leash included
- Two interior + one exterior leash points
- Comfortable, cushioned handlebar
- Swiveling front wheel can also be locked in position for jogging
- Reflectors on all four sides for added safety in low light conditions
- Removable cushion can be cleaned easily
- Folds down for easy storage
- Medium size holds pets up to 45 lbs; Large size holds pets up to 110 lbs
