

Copy points for SOLVIT Deluxe “XL” Telescoping Pet Ramp (Model# 62320)
Updated March, 2008

1. Extra Large model (45% larger than our Deluxe model) provides a more gentle slope and extra walking space to help pets reach high elevations
2. Weighs only 18 lbs and supports over 300 lbs.
3. Best combination of size, strength and light weight on the market
4. Infinitely adjustable from 47” to 89” - use it fully-extended for pick-up/SUV or grooming table, etc. Shorten the ramp when space is limited or when the upper surface isn’t as high, such as a bed, couch, or minivan.
5. The telescoping design is the secret to making this ramp so easy to use. Just slide-it-out to use and slide-it-in to stow. No clumsy folding and unfolding required.
6. High-traction walking surface gives pets a sure footing, especially on steep climbs.
7. Ultra-stiff design utilizes four rubber feet to keep the ramp stable while in use.
8. Includes a convenient carry handle and safety release latch to prevent accidental opening.
9. Easy to clean – use mild detergent or simply hose off.
10. One year warranty.
11. Product dims: 47-89” x 20” x 4”

Sample write-up:

Don’t risk injury to your pet! The Deluxe “XL” Telescoping Pet Ramp allows pets to safely access vehicles and other high elevations without undue stress to their joints.

The Deluxe “XL” Telescoping Pet Ramp is the Extra Large version (45% bigger) of our Deluxe Ramp. The extra size provides a more gentle climbing angle and extra walking space to help pets reach high elevations. Weighing in at 18 lbs, it still supports over 300 lbs with no bending! Its combination aluminum+plastic design make it the best combination of size, strength and light weight on the market. It’s still very compact, making it easy to use and store.

The telescoping design is the secret to making this ramp so easy to use - just slide it out to use and slide it in to stow. No clumsy folding and unfolding required. It is infinitely adjustable from 47” to 89” : use it fully-extended for SUVs, pickups, grooming table, etc.; shorten the ramp when space is limited or when the upper surface isn’t as high, such as a bed, couch, or minivan. A high-traction walking surface gives pets a sure footing, especially on steep climbs.

The ramp also includes a convenient carry handle, and safety release latch to prevent accidental opening. The ultra-stiff design utilizes four rubber feet to keep the ramp stable while in use.

The Deluxe Telescoping Pet Ramp carries a one year warranty against defects in materials and workmanship. Dimensions = 47-92” x 20” x 4”. Patent pending design.
