Sample write-up:

Want to go on a long walk or jog, instead of a bike ride? Convert the Large Track'r Trailer into a stroller with our easy-to-install Stroller Kit – includes a padded handlebar and 16-inch swiveling wheel with air-filled tire. Convert from Trailer to Stroller and back in less than two minutes.

The full dimensions of the Large Trailer with Stroller Kit attached are 60" x 28" x 40" (the handle is 40" above the ground). The Stroller Kit pieces weigh 8 lbs.

The Stroller Kit and Bicycle Trailer are sold separately – please make sure to order the right size Stroller Kit for your trailer!

Solvit offers a one year warranty against defective materials and workmanship on this item.
