- One year warranty

Sample write-up:

Want to go on a long walk or jog, instead of a bike ride? Convert the Medium Track'r Trailer into a stroller with our easy-to-install Stroller Kit – includes a padded handlebar and 12-inch swiveling wheel with air-filled tire. Convert from Trailer to Stroller and back in less than two minutes.

The full dimensions of the Medium Trailer with Stroller Kit attached are 50" x 23" x 39" (the handle is 39" above the ground). The Stroller Kit pieces weigh 7 lbs.

The Stroller Kit and Bicycle Trailer are sold separately – please make sure to order the right size Stroller Kit for your trailer!

Solvit offers a one year warranty against defective materials and workmanship on this item.
