Sample write-up:

The Solvit PupZIP™ Vehicle Zipline allows free-but-restricted movement for pets, thereby reducing driver distraction and improving safety. This unique design fits all pets and all vehicles, and can be used in the bench seat area, cargo area, or pickup bed area. Installs easily in seconds - simply attach the two hooks to vehicle attachment points, adjust the strap to the correct length, attach the leash to you pet and it's ready to go!
NOTE: The PupZIP™ will not prevent pet movement in the case of a sudden stop or accident – for tops in safety, check out the Solvit Vehicle Safety Harness. Warranted for one year against materials and workmanship.
