

New Deluxe Telescoping Pet Ramp compared to Solvit Telescoping Pet Ramp II:

- Stronger – holds over 400 lbs with no bending, instead of 300 lbs.
- Lighter – weighs only 12.75 lbs instead of 21 lbs (over 8 lbs less!)
- Longer – extends to 72 inches long instead of 70 inches.
- Walking surface is 1 inch wider
- Walking surface has small “waves” for better traction on steep climbs
- All at a lower price!
